## E2 WRC INSTRUCTOR CONFERENCE

Bring a copy of a draft of your essay to a WRC instructor for review. Complete the activities listed below and ask the instructor to fill in the Comment section below and then sign and date the form.

1. Ask the instructor if your thesis represents a clear and strong stand on one side of a divisive/controversial issue. Does your forecasting statement indicate that you have solid reasoning to back up your position? Record suggestions below:
2. Ask the instructor to review your incorporation of source material. Have you properly introduced and explained each bit of outside information? Is it clear how the research relates to the argument you are making? Are your in-text citations correct? Do you provide enough research to support your position? Record suggestions below:
4. Ask the WRC instructor to look at your Works Cited list. Ask him/her to point out any errors and to verify that you are using reliable sources. Record suggestions below:
5. Underline the 3 vocabulary words that you have incorporated into your paper. Ask the WRC instructor if you are using them correctly. Record suggestions below:
