

English 80  
Reaction Paper #3

Prompt:

Write an essay that addresses the following question: **How has deregulation and a lack of governmental oversight over our food system endangered consumers?**

Requirements:

- Your essay must be hand written in pen or typed, if you prefer
- Your essay must be five paragraphs long
- You must make use of paraphrase in your essay (remember to cite your source to give the original credit!). You may also include quotes.
- You must make use of ethos, pathos and logos
- You must make use of your readings from *Fast Food Nation*. You may also use *Food Inc.* if you choose
